EXPERIENCE

Birdeye, Palo Alto, CA

Executive Assistant / Senior Office Operations Specialist

August 2021 – Present

- Coordinated daily schedules for 4 executives, prioritizing important meetings, remediating scheduling conflicts.
- Led bimonthly sync-up debriefs between recruiters and hiring managers, discussing priority candidates, outlining interview expectations, and iterating important hiring goals.
- Assumed the responsibility of one recruiter and one executive assistant post-termination by routinely brokering availability between interviewers and candidates during the hiring sequence.
- Accounted for monthly expense reports, invoices, and reimbursements using Products in Data Processing (SAP) Concur for employees, stakeholders, and candidates.
- Distributed Birdeye payment products to business partners, sourced cost-effective shipping alternatives, and expedited the process life-cycle.
- Solely executed team-building engagements through company-wide holiday and virtual social events by negotiating with vendors.
- Arranged travel itineraries for C-suite executives, employees, and candidates while juggling multiple timelines and budgets.
- Curated applicant tracking system personalized for executives on Excel.
- Mentored junior assistants to effectively accredit expense reports on SAP Concur, familiarizing them with scheduling tools and shipment protocols.

Alameda County Government, Oakland, CA

Accounting Intern

August 2020 - Sept 2020

- Controlled customers' uncollectible accounts such as review vouchers and requisitions.
- Created client accounts and examined monthly charge journals for the central collections.

Distribution Support Intern

July 2020 - August 2020

- Identified missing map edge cases within proprietary software.
- Discussed with vendors by generating excel lists to resolve data tracking of maps.
